### IMPORTANT INFORMATION REGARDING U.S. VISAS

Application for and obtaining travel visas to the United States are completely and solely the responsibility of the participating teams. A visa will be required of all visitors to enter the United States with the exception of citizens from 38 countries who are eligible for visa-free entry into the United States under the "Visa Waiver Programme". The process for obtaining a visa requires each individual to submit and pay application fees through a U.S. Embassy or U.S. Consulate. **This is a process that MUST be done by the applicant – the organizing committee cannot do it for you!**

The information contained in this document was current at the time of distribution. For updated information regarding visa requirements when traveling to the United States of America, please refer to following websites:

ESTA – The Official U.S. Government Website: <https://esta.cbp.dhs.gov/>

## 18 - 24 Jun 2018 – Salt Lake City (USA)

FINAL Version 1.0 (08 December 2018)

Most categories of visas may be issued to an applicant up to 60 days before its effective date. HOWEVER, it cannot be emphasized enough that the letter of invitation and application process should start as early as possible. Participants from countries subject to additional clearances should be especially conscientious about applying early, since the State Department will not guarantee that ANY cases will be expedited.

Letter of Invitation – For those countries not listed above on the VISA waiver programme, the OC will issue you a Letter of Invitation to use in your application process. AS SOON AS POSSIBLE please complete all the necessary sections fully in WAREOS for the Organising Committee to create the visa letter.

How long should you expect the process to take? There is no standard timeframe for how long it takes to get an appointment for a visa interview and it can vary dramatically from as much as 6 months to just a few days depending on the country. It cannot be emphasized enough to start the application process early.

PLEASE KEEP IN MIND – We cannot guarantee you will receive a VISA and we cannot provide special clearances if you are denied or apply too late. Also note that the application and interview process in your country may very well be in advance of the team selection date required by FITA, so in many cases, you will need to start the application process prior to confirming your final team.

### Visa

All participants who need an entry visa to the United States of America, will be required to complete the **Visa Support Form** in WAREOS by no later than **15 May 2018**.

It is the applicants' responsibility for supplying the necessary information, ensuring all details are up to date, correct and submitted by the deadlines specified.

In addition, all participants that require a visa are kindly requested to supply a copy of their latest/valid passport. Copies of each application can be uploaded on WAREOS. All passport copies and personal details entered/uploaded to WAREOS will be held securely and in the strictest of confidence and not shared with other parties.
